

Wingham Village Covid Self-Help Preparations

Dear fellow resident,

In the weeks ahead there may be a need for us as a village to look after each other. There are a number of systems that have been set up by volunteers in the village to enable any resident to ask for assistance for themselves or another. It might be walking the dog, doing some shopping for supplies or just simply having a friendly chat on the telephone. This is NOT intended for urgent or medical assistance which should be directed to 999 or 111 respectively.

Ways you can request assistance:

1. You might have received a card direct through your door from a near neighbour or someone who knows you that are willing to volunteer.
2. If you use WhatsApp, register to be able to post direct to the group. Contact the "Wingham Covid Action Group" by texting: your name and write "Action Group" to Ian Small 07930 573 931 Bonnie Williamson 07881 985 501 or Helen Post 07971 311 332 or Karin Small 07938 643 285.
3. Join the Wingham Covid FaceBook group and post a request there.
4. Ask someone to do one of the above for you.
5. If you need to, telephone one of the numbers above. There may be an answer but if not, leave a voicemail (Name and Number) and someone will get back to you but this may be a while.

Similarly, there is a growing group of volunteers who are happy to help their fellow villagers. This is mainly being run through WhatsApp and if you wish you can join, text one of the above numbers – and state "volunteer"

Please remember all are only volunteers, please help them in spreading care and kindness.
